Candidate for U.S. Senate (R-PA) Author Speaker Proud Millennial Idealist without Illusions America First

Bobby Jeffries @BobbyJeffriesPA · 7m

I'm the only candidate for US Senate in Pennsylvania who has CONTINUOUSLY, from the start, called out BLM and Antifa as Domestic Terrorist organizations. They burn our cities, kill fellow Americans, terrorize our nation. @DrOz & others? Crickets #Fact

If you haven't seen Congressman Chip Roy's speech from the House Floor last Thursday, it's unbelievable. He absolutely destroyed it, and of course everyone from Fox News to Newsmax is SILENT on this amazing speech as he hammers the mandates and jabs.

It would be more accurate to say they tried to kill a few policemen but were unsuccessful on that day.

They killed a policeman

And Republican leaders would rather we all not know more about what happened

This is an absolute false statement and a lie, the New York Times Retracted that statement. The only one who was killed was Ashli Babbit a 34-Year-Old 14 Year Air Force Veteran...

Unbelievable the lies of the left...

I know of one personally. He did a lot wrong to get to the point he did but, when he went to the hospital, they followed CDC protocols and put him on a ventilator. Never once was he offered therapeutics. I'm convinced he should still be alive. Just follow the money.
